1. INFORMATION WE COLLECT ABOUT YOU

We collect several types of information about visitors and/or users of our Services. We may collect this information either directly when you provide it to us or automatically as you navigate through the Websites or App.

(a) We will collect and process your personal data when you register for a Service/create an account, subscribe to a newsletter, submit feedback, enter a contest, fill out a survey, or send us a communication. When ordering products or services on the Websites or App, you may also be asked to provide a credit card number and other payment-related information. Depending upon the activity, some of the information we ask you to provide is required to use the Services (e.g. registering an account) and some is voluntary. If you do not provide data when needed for a particular activity, you will not be able to engage in that activity.

We also collect your Internet Protocol (“IP”) address. We use your IP address to diagnose problems with our servers and/or software, to administer our Services, and to gather demographic information.

(b) We may collect certain information that does not by itself identify a specific individual. Such information tells us about your equipment, browsing actions, and the resources that you access and use through the Services, such as your operating system and browser type. We use analytics and similar services, as explained in our Cookie Policy, to help us to deliver a better and more personalized service to users by enabling us to estimate usage patterns, customize our Services according to your individual preferences, and speed up your searches.

(c) When you download our App and use our Services, we automatically collect information on the type of device you use and the operating system version, so we know the best version of the application to provide you. We do not ask you for, access, or track any location-based information from your mobile device at any time while downloading or using our App or Services.

(d) When you contact us for support@MySkills.Africa we may collect additional information to resolve your issue.

(e) **We are not a site targeted at children or those under the age of 16.** If you are a school and you use an MySkills.Africa service for children under the age of 16, or the equivalent minimum age in the relevant jurisdiction, you are responsible for obtaining consent from the parents/legal guardians of each child you wish to allow to participate in using any of our Services.
